Information for Patients, Placing valuables and cash in safe custody (excerpt from the house rules)

Dear Patient,

2.2a) Bringing along private items

Bring along only private items you absolutely need for your stay at the hospital (e.g. hygiene products or reading matter).

2.2b) Cash, jewelry and valuables

If you cannot avoid bringing cash or valuables to the hospital (e.g. in the case of an accident away from home), you may put these items in safe custody with the hospital administration for the duration of your hospital stay in exchange for a confirmation of receipt.

Location: Main Entrance Level 5 – Admission/Discharge Office/Cashier

The city of Vienna is liable solely for the valuables properly accepted into safe custody by the hospital administration.

I hereby confirm that the above rules were brought to my attention.
